If there are insufficient students to make up a class in any subject listed, that subject will be withdrawn for 2026 and students will have to choose another subject.

The College's ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students' course selections across the six option lines.

Requirement for University Entrance:-

60 Level 3 credits with at least 14 from each of 3 approved subjects, plus Level 2 Literacy (5 credits in reading, 5 credits in writing), plus at least 10 Level 1 Numeracy credits

Information about each course is available in *Subjects* under the “Curriculum” tab on the Trinity Catholic College website.

- Make sure you note the entry requirements for each course.
- Make sure you also read the advice about your longer term planning.
 - Check where the current course leads.
 - Find out what you need for **University Entrance** or for entrance to a Polytechnic or other Tertiary courses?
 - Check that you will have the minimum Numeracy and Literacy requirements for University Entrance?

In Year 13 all students at Trinity Catholic College must take:-

- Religious Education
- plus **five (5) other options.**

Year 13 - Sixth Subject

All students in Year 13 are expected to study Religious studies and Five other subjects.

The Sixth Subject maybe:

- A full year traditional course
- Full year of supervised study

Semester Course Options

Note – Remember you may choose courses across the levels (NCEA L1, L2 or L3) *if you meet the Entry Requirements.*

- If there are insufficient students to make up a class in any subject, that subject will be withdrawn for 2026 and students will have to choose another subject. The College’s ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students’ course selections across the six option lines.
- If you are interested in taking courses that may be available through distance learning (Correspondence) or the Gateway transition to the workplace programme or a OSTC Course, you must first obtain approval from the named person, who will investigate and verify that the proposed course is an appropriate and achievable option for you.
 - Correspondence Subject: Mrs Mortimer
 - Gateway Subject or OSTC Course: Ms Bresanello

Discuss your proposed course for 2026 with your Parents/Caregivers.

Instructions for Students signing into Choose options

Log in to Helix via your internet browser, <https://student.helixsms.co.nz> , not your phone app.

Click on ‘my summary’ at the top then click on Options tab (second tab along) **then find ‘next year’ on the right** to click on. This ensures you are choosing for 2026. If you are choosing some subjects from different year levels, then go to the top and change the year level to 11/12/13 to find the appropriate course.

Your list of options will populate. From here, you will choose your options. These can be saved and edited until Friday September 5.

Information about each course is available in *Subjects* under the “Curriculum” tab on the Trinity Catholic College website.

- Make sure you note the entry requirements for each course.
- Make sure you also read the advice about your longer term planning.
 - Check where the current course leads.
 - Find out what you need for **University Entrance** or for entrance to a Polytechnic or other Tertiary courses?
 - Check that you will have the minimum Numeracy and Literacy requirements for University Entrance?

In Year 12 all students at Trinity Catholic College must take:-

- Religious Education
- English - (Students seeking an exemption from studying English in Year 12 may do so by applying in writing to their Dean or a member of the Senior Leadership Team.)
- plus **four (4) other options.**

Note – Remember you may choose courses across the levels (NCEA L1, L2 or L3) *if you meet the Entry Requirements.*

- If there are insufficient students to make up a class in any subject, that subject will be withdrawn for 2026 and students will have to choose another subject. The College’s ability to offer any combination of subjects is based on staffing availability and our best attempt to fit students’ course selections across the six option lines.
- If you are interested in taking courses that may be available through distance learning (Correspondence) or the Gateway transition to the workplace programme or any OSTC Course you must first obtain approval from the named person, who will investigate and verify that the proposed course is an appropriate and achievable option for you.

Correspondence Subject:

Mrs Mortimer

Gateway Subject or OSTC Course:

Ms Bresanello

Discuss your proposed course for 2026 with your Parents/Caregivers.

Record a copy of your selection in your diary for future reference.
