

POLICY: UNIFORM

Rationale

The Board seeks to develop an ordered and tidy College environment that is unified through the wearing of a common uniform.

Guidelines

1. The Board requires all students to wear the uniform, including the physical education (PE) uniform, as published by the College as uniform regulations in its enrolment information and on its website.
2. Enforcing the uniform regulations will be the delegated responsibility of the Principal and staff.
3. Changes to the uniform regulations will be made by the Board.
4. Substantive changes to the uniform regulations will be made by the Board following consultation with the College community.
5. The Board delegates the responsibility for changes to sports uniforms to the Principal.
6. Any change will seek to maintain the College colours in the uniform.
7. From time to time the Principal may allow students to wear non-regulation clothing for short periods of time without removing the requirement to wear College uniform on a regular basis.

Ratified by Board: Signed for Board
