

## TRINITY CATHOLIC COLLEGE POLICIES

Trinity Catholic College policies have been developed to reflect the College's mission, vision and values, the requirements of the Education and Training Act (2020), and the strategic direction of the College.

### STRATEGIC DIRECTION

Expresses the vision and direction for the College and articulates strategies which will enable the College to express its mission and reach its vision.

The Board uses policies to govern the College. Board policies keep the school safe within the legislation and are the rules within which the school operates.	A small number of policies require the Board to adopt and implement procedures.	The Principal & staff have developed policy documents & statements in management and curriculum areas. Board members are informed and consulted about changes.	The College has a number of procedures (house rules) that are detailed in the staff handbook and relate to general Board or specific College policies.
