Consent Form for Sharing of Personal Information

To ensure that we provide the best learning and wellbeing environment for your child, we may request information from external education providers, specialists and agencies as required, throughout their learning journey.

Trinity Catholic College wants all our learners to transition successfully into our college, and transition information is valuable for this. At the time of enrolment, we will gather information from contributing schools and other education providers to support a strong transition.

During your child's school journey with us, should the school receive any information from an external party, we will always ensure that you are aware this has been received.

The way we manage student information is governed by the Privacy Act 2020 and subsequent amendments. For more information about our processes for collecting, protecting, accessing and correcting, and sharing personal information, please refer to our school policies and procedures on our website at: trinity.school.nz/about/school-policies
